Global Leadership for the 4th Industrial Revolution

The world is innovating. Technology is changing the way we live and work. To succeed in this new paradigm, where machine learning and artificial intelligence are driving all industries’ practices to a level never before imagined, a revitalized brand of leadership is essential. In a world of technological transformation, Thunderbird is developing nimble, ethical leaders who are equipped to build sustainable businesses, economies, cultures and environments.

GLOBAL MANAGEMENT, EVOLVED

Thunderbird’s specialized Master of Global Management degree delivers cross-cultural, hands-on training in the nuances of international management, preparing you with the perfect balance of practical and people skills to inspire, influence and drive global success. Then, you’ll broaden your mindset and marketability by pairing your deep-dive leadership training with an innovative concentration area and foreign language options.
APPLIED LEARNING & LANGUAGE IMMERSION

At Thunderbird, you won’t just learn global leadership – you’ll live it, through applied learning and language immersion opportunities, and real-world consulting projects around the globe.
