ACCELERATED 4+1 MASTER OF GLOBAL MANAGEMENT  thunderbird.asu.edu/4+1mgm

Your Fast Track to a Global Career
Thunderbird's specialized Master of Global Management degree delivers cross-cultural, hands-on training in the nuances of international management, preparing you with the perfect balance of practical and people skills to inspire, influence and drive global success.

Through the 4+1 program, pair your ASU undergraduate degree with a Master of Global Management from Thunderbird and broaden your global mindset, your global skillset and your global marketability—all through just one additional year of study.

DIVERSIFIED LEADERSHIP POTENTIAL
In today's competitive global marketplace where technological innovation is changing the way we live and work, leaders with cross-sector, interdisciplinary training will stand out. By building on your undergraduate studies with an MGM, you will develop the management and leadership skills needed to drive innovative solutions. Plus, during your final year of study, you’ll have the opportunity to pair your deep-dive leadership training with a unique concentration area and foreign language options.
