## LINDA LAFONTSEE

“While I am working on a piece, the hardest part is getting through the portion of the process where it doesn’t work, when the parts don’t fit together right and there is no harmony... I listen, react and keep working until I feel settled and know that it is done.”

Using a variety of media including encaustic, oil, and gouache, Linda LaFontsee conveys the dance of life with an organic freedom independent of representation. Through layering, line and color, her paintings thrive upon the structure of pattern.
