## Commercial Sun Tunnel® Skylights

Sun Tunnel® Skylights provide a maintenance-free and cost-effective daylight solution that quickly transforms core spaces. This highly configurable system is ideal when there is a need to transfer daylight for longer distances or where there is a need to fill a large space with daylight.

### Light Harvesting

- 22" VELUX SunCurve was optically designed to maximize the performance of the 22" Sun Tunnel®.
- Clear domes and daylight controls are available to maximize and control midday sunlight.

### Flashing Systems

- Features the pivoting tunnel system, which makes installation easier and provides a thermal break between the flashing and the tunnel.
- All flashings are maintenance-free, powder coated natural gray, and feature the pivoting tunnel system.

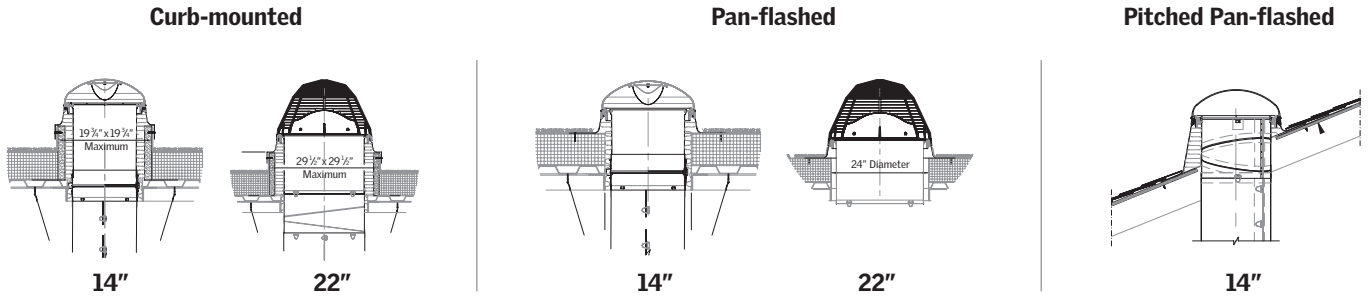

### Reflective Tunnel Systems

- Feature the Flexi Loc quick connect tunnel system.
- Tunnel systems are 99% reflective and come with a 20-year warranty.

### Warranty

- 10-year warranty on product, 20-year warranty on tunnel reflectivity, 5-year warranty on electric controls.
